Blight discussion – There was a lengthy discussion on blight in both the urban and rural areas with specific concerns addressing a number of locations. Details on what constituted blight ensued, especially as it pertained to vehicles. Council was also informed that the property owner should receive a notification, not a renter. There was also discussion on non-compliant septic systems. Attorney Dimich was asked to contact the state regarding a particular property.

The ordinance, process, and how this gets handled in the courts was explained by Attorney Dimich. Basically, once a ticket is given there is nothing that the City can do. The consensus of the council was to form a committee to look into blight, review the ordinance with the zoning officer and

planning commission to see if any changes could be made. Councilpersons Pollard and T. Troumbly volunteered to be a part of this committee.

UNFINISHED BUSINESS:

New pickup—Capital Equipment purchase replacement or addition to fleet – Clerk Anderson reiterated why this was on the agenda and what needed to be documented. **Motion** by Councilperson T. Troumbly, Pollard, Soltzak, and Mayor Nielsen. Nays: none. Motion carried.

COUNCIL CONCERNS:

Pollard: None

T. Troumbly: None

Soltzak: None

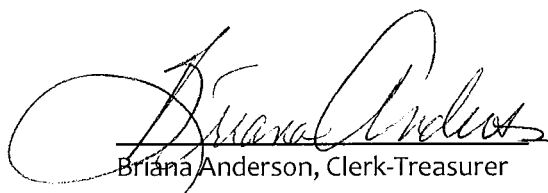

Sertich: Absent

Nielsen: Concerned with the speed of golfers going up and returning from the golf course. They either ignore the 15 mile per hour speed limit or they do not see the sign. Inquired as to what needs to be done to get temporary speed bumps placed on One Green Way. Public Works Supervisor Bertram was directed to provide prices on speed bumps and signage for that area for the next Council meeting.

Inquiring on whether unofficial committees can be formed to get information on issues that come up and there would be council members willing to do it. Concern that he is being contacted so much that it is impossible to do it all. Councilmembers were agreeable to being called upon.

Motion by Councilperson Pollard with the support of Mayor Nielsen **to adjourn the meeting at 5:48 p.m.** Roll Call: Ayes: Councilperson Pollard, Mayor Nielsen, Councilpersons T. Troumbly and Soltzak. Nays: none. Motion carried.
