COLERAINE STREET POLICY FOR HAULING GRASS/BRUSH

The Coleraine city street crew picks up bags of leaves and grass in *paper recyclable bags* up to 30 pounds. [Check RJ's and Bovey Bait for the availability of those bags.] As an additional service, the street crew will haul small brush piles. These services are available **MONDAYS ONLY**, beginning Monday, May 5th, and ending approximately October 27th, depending on the weather.

Also, the City compost/brush site will be open on Mondays, except holidays, during business hours [7:00-3:00] for residents' use.

*** Please remember to keep bags of grass clippings dry until the Monday pick-up day. Please neatly stack the brush pile you wish to have picked up and place them on the edge of your property next to the alley. ***

Brush piles are limited to 1 per week and must be *no larger* than 4 ft high x 4 ft wide x 4 ft long.

Large brush piles, too many brush piles, waste in plastic bags and those brush piles that aren't neatly stacked **WILL NOT BE PICKED UP**. The crew DOES NOT pick up logs.
