

**IMPORTANT NOTICE:** The City will be replacing the sidewalk in front of City Hall, with work beginning June 1. We anticipate the work to be completed by June 9, if not before.

In order to enter the building, the side entrance on Clemsen Ave will be open.

There will be no access to the secure lock box outside either, so payments will have to be dropped off in the office during that time period.

Access to the Nyberg Center will have to be through the side door as well. There is a ramp to get into the building, but no handicap access to the Nyberg from inside, unfortunately.

We apologize for the inconvenience, but the work is necessary and will improve access going forward.

**Please call with any questions. (218) 245-2112**
