

The City of Coleraine has completed and submitted our service line materials inventory to the Minnesota Department of Health. The service line inventory is publicly available, and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at <https://maps.umn.edu/LSL/> you may also contact us at 218.245.2112. To complete the service line inventory our system reviewed various historical records as well as conducted visual inspections and asked residents to fill out a self-identification survey. As of October 1, 2024, our inventory contains zero (0) lead, four (4) galvanized requiring replacement, 436 unknown material, and 95 non-lead service lines.
